

Ingham County Medical Care Facility & Rehabilitation Services UPDATED notification on COVID-19 (“Coronavirus”)

With the threat of COVID-19 entering Michigan and the Mid-Michigan area, we wanted to communicate the UPDATED following plan:

Our facility’s emergency response team continues to implement our strategy that remains in line with the Ingham County Health Department, CDC, and CMS recommendations for COVID-19. We are constantly developing new tactics based on threat of exposure and our team is meeting up to daily as new developments become available.

Although there are currently no cases in Ingham County or its surrounding counties, our current strategies include the following per health department, CDC and CMS recommendations:

- **Beginning at noon on Thursday, March 12, 2020 we are restricting all visitors. If you have a loved one at Dobbie Road who may be near end of life, please contact the Facility.**
- All Outpatient Therapy Clinic patients will fill out a COVID-19 screening form that they will sign each time they enter the building for treatment, and they will have their temperature checked. Outpatients will not leave the clinic area.
- All community wellness events are cancelled until further notice, this includes our warm water aquatics classes, tai chi and yoga. Any community events or meetings scheduled for our community room are also cancelled.
- Our 24/7 senior fitness center is also closed to all visitors.

Our Infection Specialist and entire leadership team here at Dobbie continue working and communicating daily with the Ingham County Health Department, CDC and CMS to ensure we are doing everything we can to safeguard our residents, patients, and staff, we apologize for any inconvenience this may cause.

We will update our current strategies and policies on visiting the Facility so please ensure you are checking our website, Facebook page, or calling before you visit.

Thank you for helping keep everyone at ICMCF safe!
