Information for visitation starting 3/16/21

## **Resident & Patient visitation protocol & information for Dobie Road**

---

- There will be 1-hour time slots for up to 2 visitors per resident every other week.
- Visitors 13 years and older will be permitted.
- Before coming, check our website or call the main line to see if visitation is still scheduled that day.
- Arrive 30 minutes prior to your scheduled time to complete screening, paperwork, and testing if needed.

-visitors must provide proof of a negative test with-in 72 hours of the visit OR, proof of a past positive COVID result within 90 days OR, agree to be tested at the facility. Any visitor under the age of 18 must have a signed consent by a parent or legal guardian only to gain entrance.

- Enter entrance 1 (Main Building) and proceed to the left lane **under** the overhang (not the outside fire lane) and into a temporary designated spot for visitors.
- Remain in your car and call the posted number for screening (**517-381-6064**); a staff member will come out to obtain a temperature. If needed (see above), a rapid COVID test will be done, and you will receive forms to review and sign.
- You will then proceed to visitor parking.
- If a rapid COVID test was needed and done, **please wait in your vehicle** until staff calls you with results. If no test was needed and staff have reviewed and approved your negative COVID test information, please proceed to the main entrance with forms completed no sooner than 5 minutes before your appointment time.
- Once you enter, perform hand hygiene. You will then be escorted to the visitation location at the time of your approved visit. All visits will be socially distanced per Michigan Department of Health and Human Services order.
- Once the visit is complete perform hand hygiene again and depart from the facility.

**\*Please note that due to current Epidemic Orders, visits may be cancelled at any time and on short notice. The facility will attempt to contact visitors prior to the visit if changes or cancellations are made as able.**

**Please check our website prior to each visit to see if there are changes to visitation availability.**
